

Crisis Debriefing

1. What was the nature of the crisis:

2. What did it affect:

3. Who did it affect:

4. Now that it's all over, what was the impact of the crisis and what was "the lesson":

5. What were the actions or omissions that resulted in the crisis:

6. How could you have acted differently to avoid the crisis:

7. Did the crisis expose any structural or system weakness:

8. If so, what needs to be rectified to avoid a repetition:

9. What are your resolutions to ensure that this does not recur:
